SUMMARY

As a developer I can demonstrate any frontend requirement in a beautifully attractive way. I am very serious and focused in my work. I love to take new challenges. I think it's better to fail than to succeed on the shoulders of others. Administered. Attained. Arranged.

SKILLS

Frontend : React.js, javaScript (ES6), HTML, Cascading Style Sheets (CSS),Tailwind CSS

Backend : Express.js, Node.js

Database : MongoDB

Tools :   Figma, Canva, VS Code, GitHub
